

RADIO

Each internet radio station in the UK has requirements in respect of its music and content, such as news, speech levels etc...These requirements are set out in the Terms and Conditions as set by PPL and PRS. This Public File contains details of the elements that are regulated, such as music tracks, news etc. It is intended to give you a better understanding of our output and what we are doing.

News bulletin schedule

W!ZARD Radio Station broadcasts bulletins containing a mix of UK and world news together with sport, entertainment and weather information on the hour from 11.00am to 12.00pm (Midnight), UK time on Fridays, Saturdays and Sundays.

Recent news stories covered on air

Articles on some of the most recent and relevant news stories can be found on the 'blog' section of our website.

Deeper discussion about recent news stories covered on air will be provided occasionally on Friday's between 4pm and 7pm (James Gilmore) and regularly on Saturday's between 11am and 1pm (Awkward Questions, Lukas Hamilton), Sundays between 12pm and 4pm (Benji Hyer, Generation You, Lekhika Chaudhary) and Sundays between 8pm to 10pm (TeenScope). Other shows may also mention news stories, although this is not a formality.

The news team

The news bulletins for W!ZARD Radio Station is provided by W!ZARD News, Sky News, the Met Office and Weather.com. You can contact W!ZARD News (the product which both compiles and receives news alerts for all of the W!ZARD Radio Media platforms) through the Contact page of this website.

The news topics discussed on any of the radio shows may be selected from a variety of sources chosen by our presenters. Please use the Contact page to contact the relevant team for each Presenter for further discussion.

The programme schedule

Details of W!ZARD Radio Station's programmes can be found on the Shows page. This includes details of all the shows for the weekend as well as details about each presenter.

The average number of hours of automated programming

We are proud to broadcast the vast majority of our output live from a variety of studios located worldwide. Some of our content is pre-recorded during the week, and occasionally you may hear repeat episodes of past shows. None of our output is automated.

The amount of local programming per day produced by the station

As an internet radio station, we try to cater for the international community – focusing on World News and multiple locations where possible. Whilst the output is presented worldwide, all of the content is produced from our main London studios.
